ST. JOSEPH PARISH MISSION

**“The Fullness of Purpose”
Speaker: KEN YASINSKI**

**October 15th, 16th and 17th
at 7:00-8:00PM.**

Could there be more to our faith experience, than what we have come to know? Dynamic speaker and author Ken Yasinski will be leading a 3 day parish mission, designed to answer life’s most meaningful questions: *Why have I been created? Where is joy found? Does my Catholic faith matter.* This mission is Catholicism in everyday simple language that will make relevant the timeless truths of our faith.

Come be inspired to live your full potential in life!

Want a free introductory talk by Ken! Text the word FREETALK to 44222 or visit the Catholic Speaker website to learn more about Ken and the mission at www.catholicsspeaker.com

God knows what is on our minds already, of course, but He also desires that we make a conscious effort to communicate with Him on these subjects. In today’s reading, Paul points out that our prayers need to be infused with thanksgiving. We should not just petition the Lord and make requests. It is equally important that we think about, identify, and acknowledge our blessings.

If we strive to have grateful hearts, our prayers come much more easily, and we tend to be much happier and more upbeat in our lives.

The tragic events of the past week should bring to light our need for gratitude for all we have.

**Holy Family Regional Catholic School:
Academic Excellence Rooted in Faith**

Kindergarten A with Miss Powers and Mrs. Weidle

We are having a lot of fun in kindergarten so far, and of course learning a lot! We spent the first few weeks getting to know each other, making friends, and learning the rules of the school. We learned all about apples and conducted an experiment where we tried different apple products, weighed apples, and voted on our favorite apple color. We also met with our eighth grade prayer partners for the first time! We talked about our how our Guardian Angels help, protect, and love us. We learned how God made everything, including water, light, the land, and us. We have also been very busy practicing our names, letters, and shapes. We are loving school and learning!
