FEED YOUR FAITH STARVE YOUR FEAR

Thursday, November 9th at 7:00PM

The phrase “*Be Not Afraid*” or “*Do Not Fear*” is found in the Bible 365 times. This important phrase can have a meaningful impact in our lives, even when we don’t feel that we are affected by fear.

Please join us for a talk that will help us grow spiritually and personally and help identify and address fear which deters us from becoming the **MAGNIFICENT** beings **GOD** created us to be.

Most of us grasp what it means to love the Lord with all we are, although it is nearly unattainable to accomplish. However, that second Great Commandment does not mean that it is necessary for us to love ourselves before we can love anyone else. Jesus is telling us that just as we often think of ourselves, we need to take care and have concern for the interests of others as well.

The Prayer of St. Francis known to many Catholics, sums up this kind of love to which we are called really is, “*Lord, grant that I might not so much seek to be loved, as to love.*”
