**PRE-JORDAN CLASS**

In today's Second Reading, Peter says, "... like living stones, let yourselves be built into a spiritual house," in reference to the members. He is saying in effect that we are called to build a church with living stones, namely ourselves. We all also understand that for a structure to be most effective, every element is needed to keep it strong. Pope Francis said, "It is isolation that harms. Being among people does not mean merely being open toward others, but also letting others get close to us."

To be open, to be a Church, requires each of us to do our part. Take a quiet moment and ask yourself how well you are doing yours.
