Dear Friends,

Today we celebrate the Feast of the Holy Family. The main purpose of the feast is to present the Holy Family as the model for all Christian families and for domestic life in general. Our family life becomes sanctified when we live the life of the Church within our homes. Just how does one live out the Church in the family? The best way is by making Christ and his Church the center of family and individual life. Ways to do this include: daily prayer, at mealtime and bedtime; attending Mass on Sundays and Holy Days of Obligation as a family. Not an easy accomplishment for many families on a routine basis, however we should try to do so more often.

“Put on then, as God’s chosen ones, holy and beloved compassion, kindness, lowliness, meekness and patience. Forbear one another and if one has a complaint against another, forgiving each other; as the Lord has forgiven you, so you must also forgive. Above all these put on love, which binds everything together. Let the peace of Christ rule in your hearts and families.” Colossians 3:12-21

The Holy Family feast is a good time to remember the family unit and pray for our human and spiritual families. In light of the violence we see in our world today, may we take this feast to reflect on the value and treasure of our families. I pray we truly cherish and nurture these precious gifts from Our Lord.

*Father Hogan*

**THE FEAST OF MARY THE MOTHER OF GOD**

*Not a Holy Day of Obligation.*

**Only one Mass on Monday, January 1<sup>st</sup>  
8:30AM in the church.**

Today is the Feast of the Holy Family and in Italy there is a saying, “La famiglia é tutto,” which means, “the family is everything.” Our Holy Father Pope Francis has made families one of the focal points of his papacy. He organized a conference on families in 2015. Speaking to the families, he said, “You cannot have a family without dreams. I am very fond of dreams in families. For nine months, every mother and father dream about their baby. They dream about what kind of child he or she will be... You can’t have a family without dreams. Once a family loses the ability to dream, children do not grow, love does not grow, life shrivels up and dies. So I ask you each evening, to ask yourselves this question: Today did I dream about my children’s future? Today did I dream about the love of my husband, my wife? Did I dream about my parents and grandparents who have gone before me?”
